### Strong's Concordance

This one can be a bit tricky to use so be sure to follow these steps & ask for help!

1. Look up the word in the main concordance (the front section) just like you would in a regular dictionary.
2. Use the location of the word in the Bible to link it up to the Strong's number in the main concordance.
3. Use the number to look up the reference in the Hebrew dictionary which is found behind the main concordance.
4. You may also search for where the words are found by looking up the word in the main concordance and looking at all the different occurrences

### The King James Version of the Bible

You may find it helpful to have other versions available as well!

### Bible Dictionary

## Before You Begin...

### Plan!

You should be able to complete the workbook with time to spare by working on it for about 20 minutes per day.

To figure out how many pages to do per day, divide the number of pages in the book by the number of days before camp.

# of pages in the book      -----

# of days before camp      -----

Line 1 ÷ Line 2      -----

Use this information to fill in the goal chart on the next page so to keep track of what you need to accomplish each week. It may be helpful to go over your goals with your parents so they can help keep you on track!

Don't forget to allow yourself time to work on your project as well!

### Some Friendly Reminders!

\*Don't forget, you **MUST** complete the workbook & project before you come to camp so don't procrastinate!

\*Don't panic! While this workbook may look long, if you use the plan above to fill in the goal chart on the next page, you should be able to finish on time by doing a bit everyday. It's always helpful to set goals and review them regularly.

### Helpful Hints!

\*Don't forget to pray to God before you begin, asking for an open mind and heart so that you can understand what you are studying.

\*Use a **PENCIL** so that it is easier to correct mistakes.

\*Read, Re-read & ask questions so that you understand the passage.

\*Read everything in the workbook. Some questions may be easier to answer if you have read the information given to you in the book.

\*Ask someone if you get stuck. You can always call or e-mail us (Uncle Jonathan & Aunt Tiffany Wisniewski) if you need to. You can reach us at [tiffanywisniewski@gmail.com](mailto:tiffanywisniewski@gmail.com) or (805) 732-7078. Make sure you let us know you are calling about the workbook and don't forget to leave a call back number when you leave a message!

# Goal Chart

**Use this chart to set your goals and track your progress.**

[illegible]

## Some Final Tips!

**It's always best to have an organized method to doing any kind of study. We suggest starting with a prayer and using the following symbols as a guide to your study!**

**Read the passage completely, without stopping.**

**Learn the passage by carefully reading it in small sections.**

**Most of the questions in this workbook can be answered by following the first two steps. However, some will require a little more work!**

**Look into It!**

**Investigate what you have read by looking into the meanings of names, places, and symbols. You may also look at other occurrences in the Bible that may help you understand what you have read.**

**Mark it!**

**This means to mark something in your Bible so that you can remember it later! You will be given all the information - all you need to do is to copy it into your Bible using your Bible marking tools!**

**Think About It!**

**These questions require some extra thought about the passage to help you find the lessons that God is trying to teach us through the characters in the story.**

# SAMUEL ANOINTS DAVID

## 1 Samuel 16

Samuel was a prophet of God that was born to Hannah and Elkanah. Before he was born, his mother, Hannah, had gone to the temple and prayed for a child. In her prayer, she said that if she could have a child, then she would dedicate him to the LORD. When Samuel was born, he was brought before Eli and raised by him in the temple. When Samuel was of age, God came to him in visions and he was told that he would be a prophet for God during his life. God used Samuel to find Saul, who is already the king of Israel when we start our study in 1 Samuel 16.

Saul was a man that was sent by his father to find his flock. He was taller than most men. God called him a choice young man and goodly. When he could not find his father's flock, Saul went to Samuel in order to ask direction of him. When he met with Samuel, Saul was told that he would become King. Israel had wanted to be like the nations around them and asked to have a king other than God. Saul was the man selected for the job. When he was made King in front of all the people, we find that Saul had run and hid himself among his stuff. Knowing this, we understand that Saul had already turned from being a good man that served God, to serving himself instead.

41.

Goliath means "splendor" and six cubits and a span is about 9 foot 9 inches. Mark this in your Bible.

1 CUBIT IS ABOUT 18" OR 1.5 FEET. A SPAN IS JUST A WORD MEANING HALF. SINCE GOLIATH WAS 6 CUBITS AND A SPAN, IT MEANS THAT HE WAS ABOUT 9 FEET 9 INCHES TALL.

Reference:	Verse:	Marginal Note:

48.  What is an Ephrathite?

---

---

49. Who is Jesse's youngest child and what was he doing instead of going to war?

---

---

The number 6 represents the flesh and everything about Goliath shows that he was a man of the flesh. He was 6 cubits tall, he had 6 pieces of armor, his spear weighed 600 shekels of Iron. Goliath was a symbol of all people who are absorbed in fleshly thinking instead of putting on the mind of Christ.

50.  David is mentioned as a shepherd that feeds his father's sheep. This makes us think of the Lord Jesus Christ, who is the Good Shepherd that feeds our Heavenly Father's sheep. If Goliath was a symbol of the fleshly man, then David is a symbol of the spiritual man. He is a picture of the Lord Jesus Christ. Where is Jesus Christ called the Good Shepherd?

\_\_\_\_\_

\_\_\_\_\_

60.  What does the word reproach mean?

\_\_\_\_\_

\_\_\_\_\_

61. Who was Goliath defying?

\_\_\_\_\_

\_\_\_\_\_

To be uncircumcised means that Goliath was not in covenant relationship with God. Today, we show that we are in a covenant relationship with God when we are baptized.

*Eliab would have had a jealous anger towards David. He would have been angry because David responded properly to Goliath's threats and Eliab (who had the same upbringing as David) knew that he had showed weakness when David had showed strength. ---

---

---

---

---

71. In verses 34-36, David provides Saul with an example to prove that his age should not be important in deciding if he should face Goliath. Summarize what happened to David while he was keeping his father's sheep.

79. What did David take in his shepherd's bag and what did he carry when he came in front of Goliath?

---

---

80. What does the number 5 represent in Scripture?

---

---

The fact that there were five smooth stones uses two things to teach a lesson. First of all, there are 5 books of the law called the Pentateuch: Genesis, Exodus, Leviticus, Numbers and Deuteronomy. Five is also the number of grace. We can see through this story that if we remain faithful to the laws of God, then He will provide us with grace to overcome the problems of this fleshly world.

81. Why did Goliath look on David with disdain?

---

82. What did Goliath ask David?

---

83. What did Goliath tell David he would do with his flesh?

---

84. What difference between David and Goliath is explained in verse 45?

---

85. What did David say that God would do for him?

---

86. What did David say he was going to do to Goliath?

---

87.  Both David and Goliath mention giving the flesh to the fowls of the air and the beasts of the field. In what way are their words different?

---

88. Why does David say these things will happen?

---

89. What would the assembly know when David won?

---

90. Whose battle was this and who would deliver the Philistines into the hands of the Israelites?

---

91. What did David do when Goliath came to meet him?

---

The story between David and Goliath is very symbolic of the story between Jesus Christ and the ways of the serpent. Remember that Goliath had come out for 40 days to stand before Israel, until David destroyed him by God's grace because of David's faithful adherence to God's law. 40 is a number that represents judgment. And so after the judgment of man takes place, Jesus Christ will destroy all people who follow after sin. But those who follow completely after the laws of God and Christ, will find grace. It is also interesting that the death of Goliath by David's hand foreshadows the bruising of the head of the man of sin by Christ - a direct fulfillment of Genesis 3:15.

92. Summarize what happens in verses 49-51.

---

---

---

---

95. Who was Abner?

---

---

96. What does Saul tell Abner to do when he can't tell him whose son David is?

---

---

---

After showing Nabal how David's men took care of Nabal's shepherds and protected their flock, David requested that Nabal share some of his food and drink with David and his men. The word 'give' actually means to share or to give a portion, which shows that David didn't request much, just a small portion to help him and his men stay healthy.

Abigail requests that David forgives her for her trespass. She took upon herself the sins of Nabal and requested forgiveness on behalf of Nabal's house. This shows that she is a type of the true Ecclesia, who, although stuck with the same desires to sin, requests forgiveness from God through the Lord Jesus Christ.
